PRICE RESPONSE SHEETS

The software listed here are additions to the State's core list of software. Complete the chart below by providing for each software package listed: your cost, % Markup over cost, your proposed Unit Price, and the net Extended Price to the State. All software versions must be the most current version, revision or release available. Insert the "Total Extended Price" at the end of the table.

All items should be priced based on a per-unit shrink-wrapped product pricing unless otherwise specified. This method of pricing will most realistically reflect the actual purchasing practices of the State.

Pricing **MUST** be submitted for **EVERY** item on this list or your bid will not be accepted.
